SOFTBALL LOOP "ALL SET"

Play Opens May 15th;
Team Rosters Must Be
Filed By May 1st

The county softball league is "all set" for its second season of play, opening Monday night, May 15th, at Marcus P. Bennett, Jr., Memorial Park.

There will be eighteen teams in three leagues, playing three softball games three nights each week; Monday, Wednesday and Friday, and each team playing one game per week.

Team rosters must be filed not later than May 1st, to permit of drawing the schedule for the three divisions.

There will be two men's divisions and one women's division. The unlimited division will consist of eight teams including the following: Diamond Springs, El Dorado, Placerville Motor Parts, Camino, Round Tent, Mac's Jumbos, Placerville News Company and Snowline CCC.

The fraternal division will consist of the following six teams: Camino 49ers, Pacific Service Employees Association, Foresters of America, Forest Service, State Relief Administration and Smith Flat.

There will be four teams in the women's division.

At the league meeting Thursday night at which these facts were determined, it was agreed that the matter of additional lighting at the field will be laid over until next year and that the league will be incorporated under the name of the El Dorado County Softball League.

The proposal for a dance was discarded on the grounds that there has been an over-abundance of such occasions recently; and season tickets for men players were voted at \$1 each, the women who play in the games being admitted to all other games without charge.

'Hopper Horde At Coalinga

San Joaquin Valley Town
Asks State, Federal Aid
In War Against Insects

COALINGA, (U)—Frightened residents of this San Joaquin Valley town appealed for state and federal aid today as they gathered at the outskirts of the city to meet an invasion of countless millions of grasshoppers heading toward rich farm lands.

Barrel after barrel of poison bran mash was spread around the city in the hope of stopping the hordes before they moved into town and decimated trees, gardens and lawns.

Most of the 3000 Coalinga residents prepared to aid in the "last ditch" battle with the ravenous insects which were hopping and crawling over an area 10 miles wide and 200 miles long on the western side of the valley.

Coalinga Chamber of Commerce and the Associated Cotton Farmers of California sent hurried appeals to state and federal authorities emphasizing that men as well as new supplies of poison were needed.

SACRAMENTO CYCLIST IS BADLY INJURED IN FRIDAY SPILL

A. P. Lewis, 49, of 2725 Forty-Third Street, Sacramento, is a patient at Placerville Sanatorium for the treatment of injuries received when his motorcycle struck a rock at the roadside and wrecked near "observation point" on U. S. Route 50 about fifteen miles east of Placerville Friday morning.

Lewis was found lying unconscious in the road by Lowell West, of the Placerville Lumber Company at Fresh Pond, about 9:30 o'clock. West was administering first aid when Officer Charles Flick, of the highway patrol, came upon the scene.

Lewis was removed to Placerville Sanatorium in the Orelli Ambulance.

According to Officer Flick, Lewis evidently failed to negotiate a curve and his motorcycle hit a rock, spilling him. The machine was thrown in such a manner that it hit Lewis' head, badly lacerating one ear.

The doctor attending Mr. Lewis was not available for a definite statement as to the nature and probable seriousness of his injuries.

Crow damage to walnut groves in Ventura county amounts to about \$30,000 each year.

THESE WATERS CLOSED TO ANGLERS AS INDICATED

Fishing In County Lakes And Streams Opens
On May 30, Except That Season Starts In
District One On May 1st

For the convenience of the fishing fraternity, the following summary of closed or restricted fishing waters in El Dorado and adjoining counties has been compiled.

Fishing season opens May 1 in District One, which has a limited area in El Dorado County. Upon this "opening date," the Cosumnes River and the American river and all tributaries remain closed. The Cosumnes will be closed above the Mother Lode highway bridge at Nashville and the American will be closed above the bridge at Chili Bar.

A comparatively small area in the Georgetown district, embracing those streams tributary to the Rubicon below its confluence with the south fork, will be open to fishing on May 1st. Fishing in Lake Tahoe opens May 1st.

The area above indicated to be closed will be open to fishing on May 30th, subject to the following indicated closing or restricted fishing orders:

Two Leland Lakes. Portion of the South Fork of American River, from the Chute Camp Dam, near the mouth of Slab Creek, to the mouth of Silver Creek.

Strawberry Creek from its junction with the South Fork of the American River to its head, and all tributaries of said stream.

"ANTI-GOLD DIGGER" BILL TO OLSON FOR SIGNATURE

SACRAMENTO (U)—Gov. Culbert Olson received from the senate a bill to outlaw suits for breach of promise, reduction of persons over legal age, and alienation of affections. The senate passed the "anti-gold digger" bill yesterday without debate, 29 to 4, in contrast to a stiff fight in the assembly.

Senator R. W. Keeny, D., Los Angeles, advocated the bill to stop "a racket by which female leeches and their shyster attorneys prey upon men who have attained some measure of prominence in their communities." Authors of the bill are Assemblyman Gardiner Johnson, R., Berkeley and Assemblywoman Jeanette Raley, D., San Diego.

Kenny added: "Decent women, the kind the law was designed to protect are not taking advantage of the provision anyway because they hesitate to drag their heart troubles into open court."

Wooden Box Whiskerino Dance On Saturday

The Camino Wooden Box Whiskerino Club is the sponsor for a dance Saturday night at Landis Hall, Diamond Springs, which is one of a series of special events arranged by the Whiskerinos to assist them in raising funds for materials for the new community hall at Camino.

Labor for the erection of the hall is being contributed by members of the organization and net proceeds of the Saturday night dance will go to the fund for the purchase of materials.

"Thumb Sandwich" Sends Girl, 15, To Doctor

WORCESTER, Mass. (U)—Marjorie Wambeck, 15, took too big a bite in a sandwich. Police Surgeon Joseph P. Scola took two stitches to close the wound in her right thumb.

AVERAGE MIGRANT FARM WORKER 33 YEARS OLD, MARRIED, WITH ONE CHILD UNDER 5 YEARS OF AGE, SURVEY SHOWS

SAN FRANCISCO—Careful analysis of 6655 case histories by specialists of the Works Progress Administration, today had created a composite migrant farm worker whose age, family life, social relationships and other characteristics vary greatly from the common conception of the type.

For instance the average age of family heads was found to be thirty-three and one-half years. Officials point out that there is a widespread idea that California old-age pension programs attract migration. The statistics show that the average new-comer would have to wait thirty years before it would be possible to cash in on any existing pension plan. Ages of more than three-fourths of the group were between twenty and forty-four. Only seven per cent were fifty-five years

Alder, Aspen, Bryant, Plum and Sayles Creeks and all their tributaries. Taylor, Trout, and Cold Creeks and all their tributaries. Upper Truckee River below the bridge on the Luther Pass Highway to Lake Tahoe and all tributaries to that portion, except that portion of said stream between U. S. Highway 50 crossing and the Luther Pass Highway Bridge which is open from September 1st to October 31st.

Loom, Pleasant, Bigbee, Mary, Spider, Winnifred and Buck Island Lakes closed from October 1st to October 31st.

Closed or restricted areas in adjoining counties include:

ALPINE COUNTY—Silver King Creek and tributaries above Llewellyn Falls. Upper Blue Lake and tributaries. Twin Lakes within 500 feet of spillway, closed to and including June 30th.

East and West Carson Rivers, and all tributaries from the California-Nevada State boundary line to their headwaters, closed to and including May 29th.

AMADOR AND CALAVERAS COUNTIES—Salt Springs Reservoir, on the North Fork of the Mokelumne River, below high water line from the dam at the downstream end of the reservoir to its head.

JUNE 24 IS 'BOYS' DAY' AT SAN FRANCISCO WORLD'S FAIR

Every boy will be a king on Treasure Island June 24.

Officials of the California Commission for the Golden Gate International Exposition today announced that Governor Culbert L. Olson has officially proclaimed that date as "Boys' Day" at the World's Fair of the West.

Notification of the proclamation was sent to President Leland W. Cutler of the Exposition in a letter as follows:

"I have received a number of requests that a Boys' Day be set aside during the summer vacation for boys at the fair.

"I am designating, by proclamation, Saturday, June 24, as Boys' Day on Treasure Island.

"It would seem fitting that on this day the Exposition Company receive admission for boys to a nominal fee, so that they may enjoy the exhibits from the educational and recreational value therein contained.

"Your wholehearted cooperation in this matter will be sincerely appreciated."

DRUNKEN JAIL TRUSTY STEALS GUN FROM L. A. OFFICER

LOS ANGELES, (U)—Police Motorcycle Officer J. C. Sprott testified today that when he went to the police garage to get his gasoline tank filled, Frank Wagner, a jail trusty, filled his tank but stole his gun.

Wagner testified he did not recall the gun theft because he was intoxicated.

Judge Arthur Guerin said: "This is a fine state of affairs, and I hope something is done about it."

TOKYO, (U)—Animals in the Tokyo zoos are being forced to do their bit to help Japan win the war against China. The animals are fed fish instead of meat, because fish is cheaper.

Another shattered concept is that the migrant family is larger than the American average. The analysis finds the usual migrant family consists of two adults and one child under five years. Family groups of other sizes ran about the same as the general population percentage.

Ninety-two per cent of migrants are white, it is shown, three points above the national average level.

Case studies were taken from the relief records of the Farm Security Administration, the federal agency responsible for the welfare of all distressed farm families, whether owners, tenants or laborers.

The study is said to be the largest cross-section made in examination of the so-called "migrant problems."

CONTRACT LET ON H.S. UNIT

Stockton Man Successful
Bidder On Two-Room
Addition To Plant

Contract for the third unit of additions to the county high school building was awarded at a meeting of the governing board of the school on Thursday night to H. H. Henning, of Stockton, on a bid of \$22,240.

It is expected that work on the new contract, the third major unit of the high school enlargement project, may be under way about May 1.

The undertaking is a PWA project, as are the other two contracts, and the cost is divided, 45 per cent PWA grant and 55 per cent from funds provided by the taxpayers last year in voting the \$95,000 high school enlargement bond issue.

The \$22,240 contract is for the erection of a two-room unit consisting of science laboratories, and including in addition a corridor with 200 additional lockers and connecting exits and entrances to the existing main high school building. The new unit will adjoin the main building on the east.

School Trustee Conference

County Superintendent
Will Call One-Day Meet
About Middle Of May

Kenneth W. McCoy, county school superintendent, announced Friday morning that a one-day School Trustee's Institute is being planned to be held about the middle of May. The definite time or the place of the meeting was not announced.

"The law provides that the superintendent may call such an institute and under the law it is required that at least one trustee from each district attend," Mr. McCoy said.

"It appears that it will be to the mutual advantage of the trustees and the schools for the trustees to meet for a discussion of problems in which they all have a common interest."

Among subjects which the institute will discuss are problems in business administration, the requirements of a school plant in the interest of safety and efficiency, budgeting problems and a general "question box."

FLOWER SHOW SATURDAY; LUNCHEON, DINNER AT CLUBHOUSE

Arrangements were reported nearing completion Friday for the annual Spring Flower Show of the Shakespeare Club, to be held Saturday at the clubhouse under the general chairmanship of Mrs. Juliet Risser.

The exhibition will open at noon at which time a cafeteria luncheon will be served. During the afternoon there will be a short program and in the evening a baked ham dinner will be served from 5:30 until 7.

In the later evening there will be a program featuring "A Bridal Review," arranged by Mrs. Robert Sinclair, in which a number of wedding gowns of the pioneer period will be exhibited with members of the club serving as models.

A number of special booths have been arranged for the flower show, supplementing the display of plants, shrubs and Spring flowers.

HOLLYWOOD DOCTOR PLEADS GUILTY TO NARCOTIC ACT VIOLATION

HOLLYWOOD, (U)—Dr. Frederic Waitzfelder, 46-year-old physician and graduate of the University of Munich, today awaited a probation hearing following his plea of guilty to two charges of violating the state narcotics law.

Investigators for the narcotics control department charged that Dr. Waitzfelder's files contained numerous prescriptions, purporting to be for treatment of film actors and others prominent in Hollywood life.

Paul E. Madden, head of the state narcotics division, reported that the majority of the persons named on the prescriptions never received the treatments and did not know their names were being used to obtain large quantities of narcotics.

"Adopted"

Lorenzo Murias, 12-year-old Spanish war orphan has been "adopted" by Mrs. Franklin D. Roosevelt as part of drive by the Foster Parents' plan for Spanish orphans. The boy was evacuated from Madrid in 1937, lives in Biarritz, France. It costs 50 cents a day to "adopt" an orphan.

OUTDOOR GIRL CONTEST SET

Candidates For State
Title Will Share In
Treasure Island Fair

Who is the most outstanding outdoor high school girl in this community? That is a problem confronting the Chamber of Commerce today, after having received scoring blanks and information in regard to the Outstanding Outdoor High School Girl Contest, to be held in connection with the California Rodeo at Salinas, July 13-16.

Any high school girl is eligible to enter the contest and the girls will be judged on their personality, healthful outdoor appearance, intellectual ability and horsemanship, each division being equal.

The representative, selected by a committee appointed by the chamber of commerce, will be given a day at the World's Fair, Treasure Island, where the group will visit the California district buildings, the Palace of Fine Arts, the broadcasting studio, Federal Building, etc. Each contestant registering at the Levi Strauss exhibit in Vacationland on that day will be presented with a pair of Levis. Later, they will take part in the finale of the Cavalcade of the Golden West.

Following this, there will be two eventful days spent in Salinas, July 12 and 13, where the finals will take place. The winner will be proclaimed California's Outstanding Outdoor High School Girl and will receive her choice of a trip for herself and mother to Glacier National Park, via Southern Pacific and Great Northern Railways, or a year's scholarship in the Salinas Junior College, with board and room included.

Girls who are interested in entering this contest should register at once at the chamber of commerce office or with Principal B. E. Larson at the high school. The winner will be chosen on May 6, at the annual May Day Picnic.

PEAR MARKETING PROGRAM HELD INVALID BY SACRAMENTO COURT

SACRAMENTO, (U)—Judge D. Lemmon ruled today the California Bartlett pear marketing program started in 1937 was invalid because the petition did not contain signatures of the necessary 65 per cent of producers, processors and distributors of the industry as provided for by the California Agricultural Marketing Act.

The California Fruit Growers Exchange was defendant in a suit brought by the state asking the Exchange to pay \$1,001,000 in advertising assessments levied under the Marketing agreement. The fruit exchange contended the agreement was illegal and Judge Lemmon concurred.

Prayers For Peace Are Asked By Pope

VATICAN CITY, (U)—The Pope issued a pastoral letter today inviting Catholics throughout the world to pray for world peace during May. The Pope, recalling his "aspirations to peace between nations," instructed the faithful to organize "crusades of prayers" for peace.

RELIEF CHISELING LAID TO HANK'S EXCHANGE MAN

Defendant, Found Guilty Of Petty Theft,
Must Make Restitution; State Controller's
Office Checking Up On Cases In County

A complaint charging petty theft in relief chiseling, issued Thursday afternoon at the request of J. E. Barton, special representative of the State Controller's office, revealed that an investigation into the matter of fraudulently obtained relief in the county is under way.

The defendant in the complaint filed Thursday with Justice of the Peace J. W. Landis, at Diamond Springs, was Ernest Waggoner, of

Hank's Exchange, who was found guilty at a hearing Friday morning and placed under a thirty-day suspended sentence on condition that he make restitution to the State Relief Administration for two checks of \$16.10 each which he claimed illegally.

Investigation by Agent Barton and his staff showed that Waggoner claimed the two relief checks between August 13 and September 12, 1938 when, from August 10 to September 1 he was employed by the Placerville Fruit Growers' Association and earned \$110.

He accepted the relief checks and failed to report himself as employed during the period, Barton charged.

Subsequently, on September 2, Barton said, Mr. Waggoner's wife wrote in reporting his employment and mentioning a pay-day that would be coming up in the future, but the letter made no reference to the previous wages earned aggregating \$110.

"Controller Harry B. Riley has a staff in the field making other investigations," Agent Barton said. "Of course, it is the intention that the deserving will get relief and we do not want to discourage the efforts of a man to rehabilitate himself, but the law is going to be enforced."

"Other cases in this vicinity are under investigation. Sometimes it is not an easy matter to discover such cases and we solicit at all times the co-operation of the public in the reporting of cases where relief is being fraudulently obtained."

The doctors were assisted by Mrs. Percy McNie, Mrs. Swift Berry, Mrs. Alice Irish and Mrs. Klingbell, all trained nurses, and Mr. Mrs. Helen Byrnes and Mrs. Irene Larsen, the county school nurses, and by a number of volunteer assistants from the high school student body.

The anti-tuberculosis work will be continued in the further examination of reacting pupils, with suggestions for the improved health.

Mid-West Flood Threat Reported Abating

By UNITED PRESS

Favorable weather eased flood conditions in the Ohio and Mississippi River valleys today.

Flood crests were moving slowly toward Cairo, Ill., where the rivers meet, and government meteorologists predicted that both streams and their tributaries would be near normal early next week if there is no further heavy fall of rain.

Mrs. C. P. Croft Rites Private

Services Saturday For
Native Of Mosquito
Who Died On Thursday

Private funeral services for Mrs. Harriett Elizabeth Croft, 67, wife of Charles P. Croft, of this city, will be held on Saturday morning at ten o'clock from Memory Chapel. The Rev. Rex A. Barron will officiate. Interment will be at Union Cemetery.

Mrs. Croft passed away on Thursday at a convalescent home at Sacramento where, for several months, she had been under treatment. The arrangements for private funeral services and interment are in keeping with her wishes before her passing and those who will serve as pall bearers were personally appointed by her.

Mrs. Croft was born in the Mosquito district of this county on December 13, 1871 and resided in this county throughout her life except for a period of residence in Sutter County.

She was admired and respected as a friend and neighbor and a loving and dutiful wife and mother by a large circle of lifelong friends whose sympathy and assistance is offered the bereaved family.

Mrs. Croft is survived by her husband and by two daughters, Bernice and Alta, of Sacramento; and by two sons, Ray and Orrin, of this city.

Princess Elizabeth Has 13th Birthday

LONDON (U)—Princess Elizabeth, presumably destined to sit one day on the throne occupied by her great-great-grandmother, Queen Victoria, celebrated her 13th birthday today, entering her teens with the glowing pride of one who feels almost "grown-up."

Her most cherished gifts were long silk stockings, worn for the first time, and an elaborate movie camera and projector, the latter a gift from "Uncle Davy," The Duke of Windsor.

Troop 57

True to our boast, we polished off 67's softball team, being on the long end of a 14 to 12 count. With a little more practice we may be able to set back Diamond's troop 95, also.

We plan to go on an over night camp next week, and the Green Bar, or leaders' patrol, wants to go to Winters to see an exhibition camp there. We even cooked our own supper last Tuesday night. If experience teaches, we ought to be getting our Ph. D.'s in camping pretty soon.

Because of a little advertising, or maybe in spite of it, our troop is now as full of scouts as a millionaire's purse is full of money.

Our part of the survey for the Historical Society is not getting on so well. No Scouts have handed in reports; although one scout reported that he had gone relic-hunting himself, and after spending several hours trying to pull what he thought was a 49'er wagon wheel out of a river, found that it really was a 29'er automobile wheel.—Bill Dillinger.

Clean Gloves

One mark of a real lady is the wearing of clean gloves. It is easy to wash white cotton gloves. Just drop them into the regular wash. They make such lovely white cotton gloves today that they are "fit for a king"—or queen.

To wash leatherette gloves, put them on the hands and wash as if washing the hands, in a mild, lukewarm suds. After washing, slip them off by unrolling from the wrist. Rinse in several clear waters, wrap in a towel and squeeze, then stretch into shape, and wrap in a towel again to dry. When nearly dry, blow into them and soften them by working them gently on the hands.

Household Hints

There are on the market garment bags of firm material in which to store from moths six or seven garments all on one hook. Some of these bags close with zipper arrangements and some have other devices by means of which they may be tightly closed, but opened at will. An outside pocket is usually provided in which to slip a list of the contents of the bag. This saves needless opening to determine what is inside.

Spread salty crackers with peanut butter and brown them slightly in a moderate oven.

To test your oven for its hotness, place a bit of flour in a pan and set it in the oven. If it browns quickly the oven is hot enough for your cake. If it turns brown too quickly or scorches, the oven is too hot.

To keep the enamel range free from cracks and marred spots, do not wipe it with a wet cloth while it is hot. Wait until it has cooled a bit before washing it.

Children are naturally timid and weaklings and are at the mercy of the person who has them in tow when you are gone. If their caretaker is a grouch, they will suffer more than you realize. You do not want your children to be "spoiled" nor to impose on one who has them in charge, but neither do you want them terrorized nor treated unkindly.

Onions Au Gratin

Onions are an inexpensive and valuable food and it is well to know many pleasing ways to serve them. One of the best of these is a baked onion dish with cheese white sauce. Boil the onions until tender, and put them into a baking dish. Add salt and pepper and cover with a white sauce to which has been added a little chopped parsley and one-fourth cut of grated cheese to each cup of the sauce. Sprinkle the top with buttered crumbs and grated cheese and make until the top is browned. This dish is a meat substitute and a balanced meal in itself.

Meat Loaf Variations

To make meat loaf something different, try various seasonings, as plain or stuffed chopped olives, pimento, green pepper, celery, mustard, horseradish, catsup, tomato, pepper sauce and onion, which is

always "the life of the party." Pork, veal or beef may go into meat loaf and a mixture of two or three is pleasing. Bread or cracker crumbs and egg are used to bind the seasoned meat into a loaf.

Sugars in Baking

Either beet or cane sugar may be used in recipes for cake making, but the finer granulated sugars make a finer cake. Powdered sugar is not desirable for baking. Brown sugar may be substituted, if one wishes that flavor, but it is not as sweet as granulated sugar and a fourth cup extra must be used when substituted for a cup of white sugar. When brown sugar is used, it should be rolled and sifted, if it is lumpy.

Shampooing Furniture

The success of laundering upholstered furniture depends upon the material of the covering, the fastness of the colors in it and the care and skill of the person who does the job.

Before one washes upholstery, it should be given a thorough brushing to be rid of surface dust, then a vacuum cleaning to draw out what may come in that way. Make a soap jelly by dissolving mild soap flakes in hot water, then cool it to lukewarm by adding cold, soft water.

Whip this into a stiff lather and apply it generously to the upholstery with a brush. Scrub only a small section at a time, working with a circular motion. If the fabric has a pile, rub it in the direction of the pile. With a dull knife scrape the lather off lightly and rinse the cleaned portion promptly with a sponge or cloth wrung out of a solution of salted water. Squeeze it with a soft dry cloth to absorb moisture. Leave the piece in a strong draught to dry quickly. While working with it be careful not to apply too much moisture to soak it inside. Only the surface should be wet.

The Child's Caretaker

If you are employing help in the home, especially if this person is to have much association with the children, and the care of them while you are absent from home, make as your first consideration her disposition.

Does she like children? Will she be patient with their constant ac-

Sports Parade

By HENRY McLEMORE

NEW YORK. (U.P.) — A new world's record for optimism was established by Tony Galento and his manager, Joe Jacobs.

In a telephone conversation from Boston, Galento and Jacobs expressed delight over the sudden death-finish of the Joe Louis-Jack Roper bout in Los Angeles, and said the first round knockout was positive indication that Galento would defeat the negro champion in June.

When they told me this I immediately signalled for the operator and asked for a better connection, being unable to believe my ears. It didn't seem possible that two adults, in their right minds, could place such an interpretation on the two minute and 20 seconds knockout of Roper by Joe Louis.

For them to rejoice over the deadly work of Louis, what with Galento scheduled to meet him in a few months, seemed to me to be as absurd as it would be for the turkey to praise Thanksgiving or the mouse to celebrate the birthday of the man who invented the rat trap.

But rejoice they did, for about \$8 worth at a person-to-person rate. Jacobs was the first to speak to me, and by the tone of his voice, and the words he uttered, you would have thought that he had just been left a handsome legacy.

"Yessir, we heard the fight, every round of it," he said.

"You mean every second of it," I corrected.

"All right, every second of it," he answered, "at a radio in the Friars' Club. And I want to tell you that it proved to us that the fight in June will be a cinch."

I agree it would be a cinch—for Louis.

When I said this, Joe let loose a bellow that must have knocked every sparrow off the telephone wires between here and Boston.

"You're crazy," he roared. "What did Roper hit Louis with in the first minute of that fight? What, I ask you, what? Three left hooks, that's all. Three left hooks. That means that Galento can hit him with three. And baby, when Galento hits him with three he'll be sleeping for a week. That Roper's a bum, and an old bum, besides. Yet he got in three licks before Joe got him. Let Tony get in one lick and there'll be a new heavyweight champion. Aint' that right, Tony?"

At this juncture Galento thundered to the telephone. Judging from the way he talked into it, it was the first telephone he had ever seen, and he was taking no chances with it. I didn't hear the opening bombardment of Verdun, but it must have sounded quite similar to Galento on the telephone. He shouted so loud, and so belligerently, that my eardrums snuggled close to one another for protection, and I worried lest I be shell-shocked before I could get him off the line.

"He's a bum, and can't beat nothing but bums," Galento shouted. "He just thinks he can knock guys out fast. Wait'll I wade into him and let him have one on the whiskers. I'm telling you, I'm liable to kill him."

Obviously dissatisfied with Galento's modest statement of his own ability, Jacobs wrested the phone from Tony's hands and, in the pure language that has brought him offers of the chair of English from not one single university, proceeded to tell me what would happen to Louis on the night of June 28.

"And if I'm wrong," he concluded, "sue me."

Joe was safe in saying that, because he known I won't sue him—for damages, anyway. There will be enough damage done that night without anybody having to sue for any.

The official attendance count at the National Orange Show, San Bernardino, was 136,230 persons.

HOW IT BEGAN

By Paul F. Berdanier

BLUE MONDAY

ON THE FIRST SUNDAY BEFORE LENT, IN MEDIEVAL EUROPE, CHURCHES WERE DRAPED IN BLUE, WHENCE CAME THE NAME "BLUE MONDAY." WORKERS WHO HAD TO LABOR ON SUNDAY, HOWEVER, WERE GIVEN MONDAY OFF, AND THE ENVY OF THOSE WHO HAD TO WORK ON THAT DAY GAVE THE PHRASE ITS PRESENT MEANING — A TIME OF DEPRESSED SPIRITS.

MINT SAUCE WITH LAMB

THIS IS A REMNANT OF THE HEBREW CUSTOM OF EATING BITTER HERBS WITH THE PASCHAL LAMB. THE EARLY ENGLISH ADOPTED THE CUSTOM, BUT SUBSTITUTED MINT FOR THE HERBS BECAUSE OF ITS FLAVOR.

San Joaquin Valley growers voted in favor of continuing the raisin prorate.

LOTUS

The past week has been very pleasant, with partly cloudy days and much sunshine. On Thursday at 2 p. m. a light shower of rain fell, being the first rain for the month, which lasted for about a half hour and then came out for the rest of the day. The present month so far has been like April, 1938. That month was partly cloudy all month and the first rain was on the 4th when it rained all day. Some rain came again on the 24th which lasted all morning and again on the 29th and the 30th followed by a cold, rainy May 1st.

Wylie Harding, special inspector for the Fireman's Fund Insurance Company, came up from his Sacramento office last Friday and put in most of the day in riding around looking over risks with Charles Rasmussen, the company's agent here. Wylie found everything OK and returned to his office after lunch well satisfied with all the risks sent in by the company's agent here in Lotus.

We are just in receipt of a map of El Dorado County handed us by Mrs. Verna Brame of the Hangtown Antique Shop in Placerville which was gotten up by Mrs. Brame and her assistants and printed by The Mountain Democrat press. This is surely a very nice map and we do appreciate it and extend our many thanks.

Mrs. Dudley Stevenson returned from a week or more visit with her mother, Mrs. Jack Walker, of Oakland, the past week. Juanita also took in Treasure Island on her trip and much enjoyed the fair.

Mrs. Lulu Nash, who has been visiting with her niece, Mrs. Noreen Peterson, for the past month, will go to Los Angeles Wednesday and visit with Mrs. Peterson's sister and other relatives for a week and then return to her home in Kansas City, Mo.

Walter LeVitt, manager of the Pacific Fruit Exchange in Placerville, was in our town the past week talking to some of our pear growers.

Henry Bacchi and wife and their lady friend took advantage of the nice day on Saturday last and drove down to Michigan Bar, up to Ione, then to Placerville and home, much enjoying the trip.

Mrs. Irma Lawyer was among those present at the whist party given at the home of Mrs. Blair in Placerville Tuesday afternoon.

Mr. and Mrs. R. G. Risser were callers at the Reside home Tuesday afternoon.

Mrs. Ella Norris, Mrs. Wm. Stearns, Mrs. H. Metcalf, Mrs. Irma Lawyer and Mrs. Harry Reside attended the whist party given at the Shakespeare Club Wednesday afternoon of last week.

Mrs. Henry Bacchi and Miss Doris Metcalf returned from their visit to Modesto Thursday.

Mrs. Irma Lawyer attended the Eagles Card Party in Placerville on Thursday evening.

The Grange card party at Coloma Saturday night was enjoyed by nearly ninety people. There were visitors from Garden Valley, Smith Flat, Camino and Placerville. There were a number of lovely prizes for those holding high scores.

Mr. and Mrs. Ed Bowman were visitors at the Reside home Wednesday evening.

George McKean, who spent several days with Sacramento friends, is back home. He reports having made a trip to San Francisco to see the new bridges and the fair.

Miss Helen Reside, who has been visiting her relatives in San Francisco for the past two weeks, has returned to her home here.

Mr. and Mrs. Harry Reside and Mrs. Lottie Galleher took advantage of the fine weather Sunday and took a trip to Pino Grande.

A. H. Peterson was up to spend the week at his ranch and incidentally took in the Garden Valley card party.

Church services were held at Coloma by Rev. Rex Barron.

The mercury registered 90 degrees Monday from 11:30 a. m. to 1 p. m. This is the second time it has reached 90 for April, 1939.

COLOMA NOTES

Mrs. Drosia Schultz and Mr. and Mrs. Nick Wally are here from Oakland. They are relatives of the late Miss Daisy Schultz and following her wishes brought her ashes to be placed in the family plot here.

Five hundred visitors registered at Marshall Park for Easter Sunday and last Sunday a similar number of people were there. Many far parts of this state were represented and those from other states all over the union show the extent of traveling now going on.

N. Y. Vernon, her sister, A. H. Vernon and Mrs. Rose Bisagno spent Tuesday in Sacramento visiting the Crocker Art Gallery and attending to business.

Mrs. Marion Atwood, Mrs. Mary Patterson, Mrs. Eva Blair, Mrs. Ann Beal, Mrs. Stella Tracy and Miss Florence Reckers, of Placerville; Mrs. Florence Berry, Mrs. Frieda Caldwell and Mrs. Clarice H. Hook, of Camino, were recent picnickers at Marshall Park.

George McKean spent last week-end visiting friends in Oakland and Sacramento.

FIVE MILE TERRACE

The April meeting of Blairs P. T. A., scheduled for April 14th was cancelled in that members might accept the invitation of the Camino association to attend their meeting. Newly elected members of the Smith Flat and Camino associations were jointly installed by Mrs. Fred Sauze, Extension Director of the Third District. Mrs. Edith School, Art Director of the Third District, accompanied Mrs. Sauze. The meeting was most interesting and during the social hour which followed the members from Placerville, Blairs, Camino and Smith Flat had an opportunity to meet the Third District visitors and each became better acquainted with neighboring associations. Five members from Blairs P. T. A. attended the meeting.

Helen and Barbara Ward have been absent from school the past week because of illness.

Mrs. Frank Noyes and Mrs. Chas. Hennings took a number of Blairs school children to Placerville for the tuberculosis test.

Each child took home from school this week a "Child List for Common Hazards on the Farm and in and about the Home" as issued by the American Red Cross. Every parent should be in sympathy with this effort to reduce accidents.

Mr. and Mrs. Rex Quiberg and children visited Rex's mother, Mrs. Linda Miller on Monday.

Emily MacFarland accompanied friends to Sacramento on Friday afternoon returning by way of Roseville to visit former Placerville residents there.

Mrs. Ruth Chesmore and her son Bob Moran returned to Bakersfield Friday morning after a week's visit here with Mr. and Mrs. Joe Miller.

On Thursday evening Mrs. Chesmore, her mother, Mrs. Miller, and her daughter, Helen Moran, attended the Mother and Daughter Banquet at the High School in Placerville.

Ralph LeVitt came down from Pino Grande for the week-end returning to his work Sunday afternoon.

Visiting Mrs. Al Stanley Tuesday evening were Mrs. Viola Taylor and Miss Charlotte Dixon of Placerville. Mrs. Stanley was feeling poorly last week and a number of her friends called to wish her a speedy recovery. On Monday Mrs. Alex Revaz, Jr., of Placerville, was a guest and on Friday Mrs. Frank Eskew called.

Mrs. R. A. Barnes spent Thursday and Friday in Sacramento.

Mr. and Mrs. Clarence Allen and Herman Hamsey of Diamond Springs called at the Stanley home on Sunday.

Speaking of spring and things, Mrs. Linda Miller says she has fourteen hens now setting, including one who will surely be surprised when the turkey eggs on which she is setting are hatched.

Mr. and Mrs. C. W. Chesmore returned to their home here Tuesday afternoon. Mr. Chesmore is improved in health and both are glad to be back.

COOL NOTES

Miss Clarella Collier was honored Saturday afternoon by a community shower held at the home of her parents, Mr. and Mrs. W. G. Colyer of Pilot Hill, at which she received many beautiful gifts of linen, glass and silver. Miss Collier has chosen the date of May 15th for her wedding to Clinton Marriot, of Auburn. The ceremony will be performed at the First Baptist Church of Auburn by the uncle of the prospective bride, Rev. Herbert Vodra, who also officiated at the marriage of her parents and of her brother, Gilbert Collier, of Susanville.

Fourteen children of the Cave Valley and Pilot Hill schools accompanied by their teacher, Miss Ursula Hogan, and Mrs. Ruby Melchior, participated in the Placer County school tour of Treasure Island last Friday. Mrs. Alfred Brady also made the trip.

The Northside Farm center is issuing a general invitation to all other Farm Bureau centers and others interested to attend their meeting to be held at Penobscot school on the first Friday in May. Arrangements have been made with the Du Pont company to show a talking natural color picture entitled "The Wonderland of Chemistry."

Miss Ursula Hogan was in Sacramento Saturday attending the California Teachers Association meeting.

Mrs. Everett Haslam, president;

Mrs. Carrol Miller, vice president; Mrs. Delbert Neigel, secretary; Mrs. Mary Miller, delegate and Mrs. Richard Nance of the Cool Study Club, motored to Marysville Thursday to attend the annual convention of the Northern District Federation of Women's Clubs. On Friday Mrs. Haslam and Mrs. Carrol Miller attended, at which time the former reported on the year's work of the Study Club.

Members of the Northside 4-H Club will be hosts to their friends at a silver offering to be held at their club house this Saturday afternoon. Proceeds from the affair are to be used for a trip to the Golden Gate Exposition.

Lawrence Neigel, who recently underwent an operation in a Placerville hospital, is reported to be progressing favorably.

Sheep shearing is in progress on local ranches.

Pilot Hill, Cave Valley and Penobscot schools will hold open house to parents and friends all next week in observance of Public School week.

Leslie Steever has accepted a position with the Standard Oil Company at Richmond.

Miss Ruby Sharp, of San Francisco, was an overnight guest at the home of her parents, Mr. and Mrs. J. M. Steever, last week.

KELSEY

Mr. and Mrs. Frank Holt have returned from Newport Beach, Los Angeles County, where they attended the funeral services of Mrs. Julia Ann Holt who passed away here at the home of her son here in Kelsey. Mrs. Julia Holt came to live in Kelsey with her son, Frank, and family four years ago. Though eighty-two years of age, she visited with neighbors and was exceptionally well for her age. She returned a year ago to Newport for a few months, coming again to visit her son. She made many warm friends who valued her friendship.

Many home folks who were here for Easter vacation have returned to their several places of residence.

Mrs. Helen Sharp and Jean Brittan, who spent Easter week in Pasadena, have returned. They visited the weekend in Kelsey.

Development work on the Big Sandy and Gray Eagle Mines began April 14th under supervision of Earl Cooper.

The Big Sandy has been idle since 1898, being owned then and recently by a Toledo, Ohio, company.

These mines were both included in the James W. Marshall estate. The Marshall Museum stands on the Gray Eagle mill site. Mr. Cooper, a well known mining engineer, has extensive plans for development of both properties.

Mrs. John Clementsen has returned from Oakland where she was for several months at the home of her daughter, recovering from a major operation performed at Sutter hospital.

PINO GRANDE

Wednesday morning saw the Pino Grande mill start with a capacity crew. During repairs the men had started to work at 7:30 but now that things have started in earnest, the men will answer the seven o'clock whistle. Old Pino will no doubt see the busiest season for a number of years. The germ of "clean up and fix up" has seemed to have bitten several of our residents. Last Saturday, no matter where one looked there seemed to be a fire with someone burning trash and rubbish. This is very commendable and we say more power to you and may there be more of the clean-up spirit in Pino.

Mr. and Mrs. Orr returned to camp on Saturday. Mrs. Hamlin who had just been discharged from Placerville Sanatorium, accompanied them.

Mrs. Omer Strand has been confined to her bed with the flu for a few days. She is much improved now and will, we hope, soon be able to get about again.

Mr. and Mrs. B. Mason returned from San Francisco on Sunday. Phil English passed through Pino Sunday on his way to Camp 14 to do some surveying.

Gunnar Porsbeck, who has been the regular surveyor at Camp 14, is attending the University of California.

There has been a steady influx of men all week. Some were returning to jobs they have held for years and others were hoping against hope to land a steady job. There have been enough men here to run three mills.

Mr. and Mrs. William Reid, newcomers to Pino, moved into the Keller cabin on Monday.

Robert Zeiss spent last week end in Placerville visiting Mrs. Zeiss and their grandson.

Claud Ford, of Camp 14, received word on Tuesday of the birth of a daughter to Mrs. Ford at Placerville Sanatorium earlier that morning.

Mr. and Mrs. Horace Dixon were business visitors at Placerville Saturday.

Swift Berry and Jon Nyberg were in Pino Grande on Tuesday afternoon on business. They were on hand to see the mill "turn over" in preparation for the start on Wednesday morning.

GOLD HILL NOTES

Phyllis, Jacqueline, and Jimmy Pinneo were new pupils at the Gold Hill School Monday, transferring from Pollock Pines. The Pinneo family has moved into this community.

Louis Veerkamp celebrated his birthday last weekend. Saturday his brother and wife, Mr. and Mrs. Egbert Veerkamp were dinner guests at the family home. Later in the evening his family and grandchildren gathered to wish him many happy returns of the day and enjoy birthday cakes and ice cream. Sunday the group met at the home of Mr. and Mrs. Elwin Veerkamp,

in Placerville, where a picnic dinner was served on the lawn. Those present beside the host, hostess and honored guest were Mrs. Louis Veerkamp, Mr. and Mrs. Ed Christian, Mr. and Mrs. E. K. Fowler, Mrs. Maggie Veerkamp, Mr. and Mrs. Lee Brown, Mr. and Mrs. Leo Akin, Mr. and Mrs. Maurice Veerkamp, Mr. and Mrs. Clinton Veerkamp, Miss Inez Veerkamp, Malcolm Veerkamp, Betty Bergantz and eleven grandchildren.

Leola Price, of Berkeley, spent several days at the home of her brother, Oscar Flemming.

Mr. and Mrs. Maurice Chapman had as their guests Friday, Mr. and Mrs. R. Kiewegh and daughter, of Sacramento.

Frances Hancock entertained her sister and family, Mr. and Mrs. Don Mart and son James, the fore part of the week. They returned to their home in Oakland Wednesday.

Mr. and Mrs. George Eversault and daughter, of Bryte, were callers on Mrs. Will Miller on Sunday.

Thursday Mr. and Mrs. A. Neistrum, of Pleasant Valley, spent the afternoon at the home of Mr. and Mrs. Louis Veerkamp.

The well on the school grounds has been dug and the concrete work completed. Now the trustees are working toward the installation of a pump. Friends who are interested in my help by attending the benefit card party to be held in the Coloma Hall Saturday night, April 21st.

SUMMIT NOTES

The Dramatics Club presented two plays, "A Husband for Hilda" and "The Man from Nowhere," at the meeting of the Rescue Farm center last Friday night. Also several musical selections—the whole program was received very well. The Rescue 4-H Club orchestra entertained with a number of delightful selections, and the same group played for dancing in the evening. We should like to take advantage of this opportunity to say these young people did exceptionally well, and we expect to hear great things of them in the future. The evening was enjoyed very much by all of us, and we wish to again thank the Rescue Center for their hospitality.

COLE'S STATION

It sure sounds good to hear the whistle of the Caldor company trains again. They started logging operations again Monday with a large crew of men at their camp at Henry's Crossing, near here. They will log here for about a month before moving to their other camp above Grizzly Flat.

Frank Cole bought a horse of Bill Darlington Tuesday.

Mrs. Elmer Meyers killed the first rattlesnake of the season in this community on Wednesday of last week. The snake had nine rattles and some had been broken off.

Mr. and Mrs. Theodore Rupley, of Oroville, visited Mrs. Rupley's parents, the Charles Leventons, on Wednesday and Thursday of last week. Mr. Leventon accompanied them to Oroville for a week's stay.

Bob Cunningham, saw filer for Caldor, and Mrs. Cunningham, came up from Oakland Friday and are nicely settled in their cabin at Henry's Crossing. Mrs. Cunningham returned to Oakland again Saturday to spend a few days.

Mr. and Mrs. Vic Parker, of El Dorado, visited Thursday with Mrs. Parker's father and mother, Mr. and Mrs. Charles Leventon.

Lee Grace left Saturday afternoon for his home at Diamond where he is employed at the California Door Mill.

George Martin was a caller at Cole's Station Sunday from El Dorado.

POLLOCK PINES

Snow fell heavily for two hours Thursday morning of last week. However, it melted as it reached the ground.

The road to Lake Tahoe is open now and in good repair. The Sunday traffic of pleasure cars through here was heavy.

Miss Anna May Overacker is confined to bed at the home of her parents with a severe case of measles and at last reports was on the mend.

The P. T. A. box supper of last Friday night netted that body \$31.50, which is a good showing for

late in the season. The money is to be used to install a radio in the schoolhouse.

Steam was up Wednesday for a preliminary run of the Fresh Pond sawmill. The season will start in earnest on Monday.

Mrs. H. R. Pollock accompanied her son and wife, Mr. and Mrs. Earl Pollock, of El Dorado, to Treasure Island over the week end.

Miners are sinking a 300-foot prospect shaft in a search for gold-bearing gravel on a mountain ridge near the Blair's sawmill.

Principal Harry Reese reports an enrollment of 67 pupils in our grammar school with an average daily attendance of 58.

H. J. Pinneo and family left our community on Sunday to take up residence at Gold Hill.

SHINGLE SPRINGS

The Shingle, El Dorado and Diamond Whist Club was entertained at the home of Mrs. Bertha Schelber in Diamond Springs on Thursday afternoon of last week. All had a good time.

We are glad to hear that Judge Taylor, who had not been feeling well, is much improved.

Fred Carpenter, of Placerville, is building a screen porch at the Miller home.

Mr. Day, who is a salesman for a paint firm and has been an old friend of the Millers, stopped over for a short visit with J. L. Miller recently. He is now moving from Oakland to Sacramento with his family having purchased a home in the capital city.

Riston Jackson has taken a contract to dig out a well for John Miller.

Word has been received from Margaret L. Erb, daughter of Mrs. J. L. Miller, that she will arrive in San Francisco on the Army transport Grant on Thursday of this week and will come on to Shingle on Saturday.

The grass has begun to dry up very fast on the hills and almost everyone is concerned about the water conditions down this way.

The Arizona state fair at Phoenix is to be resumed this fall.

CHRISTIAN SCIENCE SERVICE

First Church of Christ, Scientist, Placerville, Bedford Avenue at Union Street.
Services, 11 a. m. Sunday School 9:30 a. m. Wednesday evening. Testimonial Meeting 8 p. m.
The reading room at the church building is open Tuesday and Friday from 2 o'clock until 4 o'clock.

"Yea, though I walk through the valley of the shadow of death, I will fear no evil, for thou art with me; thy rod and thy staff they comfort me." These words from Psalms comprise the Golden Text to be used Sunday, April 23. In all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The subject of the Lesson-Sermon will be "Probation after Death." Included among the Scriptural selections will be: "Moreover, brethren, I declare unto you the gospel which I preached unto you, which also ye have received, and wherein ye stand; By which also ye are saved, if ye keep in memory what I preached unto you, unless ye have believed in vain. For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; And that he was buried, and that he rose again the third day according to the scriptures." (I Cor. 15:1-4).

The following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included: "The Master said plainly that physique was not Spirit, and after his resurrection he proved to the physical senses that his body was not changed until he himself ascended, — or, in other words, rose even higher in the understanding of Spirit, God" (p. 46).

PUBLIC NOTICE

Attention City Residents

The owners or tenants of city residences who have weeds or other refuse to burn as a result of the Spring cleaning of their properties are requested to attend to the burning immediately.

Owing to the lack of rainfall during the past winter, we can anticipate a dry season longer than usual this year, with consequent increased fire hazards.

If residents will attend to their outdoor burning immediately, it will be to their convenience and will assist materially in reducing the grass or rubbish fire hazard in the community during the summer season.

City regulations against outdoor burning will be put into effect within the next few weeks.

MARK TETRAULT, Fire Chief.

SLY PARK SCHOOL TO BE BUILT WITH HELP FROM WPA

The projected new school building for Sly Park school district at Pacific will be erected with WPA assistance and will represent a total investment of between \$5,000 and \$6,000 it was indicated at a conference between district trustees, Architect Harry J. Devine and WPA representatives this week.

Trustees at the meeting were Albert Martin and Floyd Poole. Following the conference, the group visited the Springvale school for a study of the new plan there, after which Architect Devine was asked to proceed with plans for the Sly Park building.

The new structure, to be erected on a site all ready selected about half a mile west of Pacific House on the highway, will be a one-room unit, so designed that another unit may be added.

Paul Wins Recognition for Gentile Christians

HIGHLIGHTS OF THE SUNDAY SCHOOL LESSON 4-22

(The International Uniform Lesson on the above topic for April 23 is Acts 15:1-35; Galatians 2:1-10, the Golden Text being Galatians 2:16, "A man is not justified by the works of the law, but by the faith of Jesus Christ.")

BY NEWMAN CAMPBELL

IT IS AN odd thing, but people, even the best of them, and those bonds cannot always agree. And so it was in the early days of the Christian church, when men were so eager to tell people the beautiful story of the Savior and his life, death and resurrection, that they disagreed on some matters.

And one thing they argued about was whether Gentiles, when converted and baptized, should be made to become Jews by observing all the old Mosaic laws and customs. Now you remember that Peter, Paul and Barnabas had had experiences that made them feel that God meant the gospel to be preached both to Jew and Gentile alike, and they felt very strongly on the point.

On the other hand, the Pharisees and those like them were just as sure that only by becoming Jews in all but name could the Gentiles be admitted to the church.

Paul and Barnabas had a good deal of discussion with the other members of the church over this matter, and the others finally decided that these two should go to Jerusalem and ask the apostles and elders about it. So to Jerusalem they went, and after they had been received at the church and had told all the things that "God had done with them," certain Pharisees rose and expressed their conviction that Christians must be as Jews, and there was a great deal of discussion and disagreement.

Then Peter rose and told of his experience with the Centurion, Cornelius, and about his vision of the food left down from heaven and God's voice telling him he must not call unclean that which God had sanctified.

"And God, which knoweth their hearts," said, "bare them witness, giving them the Holy Ghost, even as He did unto us, and put no difference between us and them, purifying their hearts by faith."

After that the multitude was silent and listened to Paul and Barnabas, who declared what miracles and wonders God had wrought among the Gentiles.

Then James, the brother of Jesus, rose and talked. He had great influence among the Christians, as you may well imagine. He said it was his judgment that the Gentiles need not keep all the laws of the Jews, but that if they refrained from eating meat that was customarily offered to idols, from blood and from anything that had been strangled, that would be all that was necessary. Paul willingly agreed to this, and so the matter was settled. Letters were written to the Gentile Christians at Antioch, Syria and Cilicia telling them the verdict.

So Paul and Barnabas went back to Antioch well pleased. Judas and Silas were sent to tell the Gentile brethren the same things by word of mouth.

Paul showed his wisdom in accepting the decision of the leaders of the church in Jerusalem. He was a strong man, firm in his convictions and ready to fight or suffer for them, or he would not have turned from persecution of Christians to working with and leading them. He was a natural leader, and it could not have been easy for him to have given up his own way, but when it meant a slight sacrifice for the good of all, he was willing to compromise, just as we all must do when assistance means a fight which can leave only hatred and bitter feelings.

To show his firm stand on the matter of Gentiles being allowed to become Christians without also being forced to obey the Mosaic law in its entirety, Paul says in his letter to the Galatians, in Chapter 2, "Then 14 years after I went up again to Jerusalem and took Titus with me."

Now Titus was a Greek, and so was one of the Gentiles whose case was in dispute. Titus, to Paul, was living proof that God would accept Gentiles into His service, just as they were.

Gold Trail

At the "hard times" meeting of Gold Trail Grange April 12, several visitors were present from Pilot Hill Grange. Prizes were awarded to Mrs. Carl Niel and Sam Summers for representing the "hardest up" lady and man of the evening. Two readings were given, "Brakes," by Ray Rosenberger, and "When the Family Buys a Car," by Mrs. Minnie Marchini. Several of the visitors were called on to speak. The "mystery box" brought by Robert Johnson was awarded to Mrs. Gertrude Marchini. After the meeting games were played and Master Steve Lovejoy of Pilot Hill won the men's prize and Mrs. Minnie Marchini the ladies prize. Refreshments were then served.

The regular card party Saturday night was well attended with twenty-three tables of players. The next regular meeting will be April 26 and the next card party May 20th. Laura Herzog, lecturer.

Home "E" Club

The Home Economics Club of the Pomona Grange will meet with Mrs. Tom Gordon of Pleasant Valley the last Thursday in April at 10 a. m. Each lady should bring one dish for the picnic lunch and her sewing. Mrs. Mae Kline, Home Economics Chairman.

Pleasant Valley

The Home Economics Club met at the home of Mrs. Virgil Avansino on Sunday, April 16, for their monthly meeting. Plans to increase the building fund were discussed, including the making of another quilt, a candy sale, a doughnut sale and an ice-cream social. The next regular meeting will be held at the home of Mrs. H. H. Bradford, on Sunday, May 7. Let's try and have the largest attendance yet.

There was a fair attendance at the meeting of the Pleasant Valley Grange on Tuesday night, April 18. The members were asked to decide what type of hall they want, the size, etc., so that plans may be drawn and work started as soon as possible. A committee was appointed.
